Entertainment On The

You will probably have little time this weekend for entertainment and relaxation. But if you do have a spare moment or two, you may wish to take advantage of MSU's recreation facilities and the various activities planned.

UNIVERSITY MUSEUM

On Friday and Saturday mornings from 9-12 a.m. the University Museum on the third floor of the Fines Arts Building will be open. If you're a history fan, make a special point to see this collection of western Americana.

BOWLING, GOLF AND SWIMMING

We also want to remind you that the University bowling lanes and golf course are open. The bowling lanes, located in the basement of the Women's Center, will be open from 4-12 p.m. on Friday, 1-12 p.m. on Saturday. The golf course, about a mile south of campus, is open from sunup until sundown.

The University swimming pool will be open to the public Saturday night from 7:30-10:00. The pool is located next to the Field House.

DANCES

Dances are slated for Friday and Saturday nights at the University Lodge. Bear Paws, a men's student service organization, will sponsor Friday night's. Air Force ROTC Department will give Saturday night's. Both will be from 9-12.

INQUIRE AT REGISTRATION

To obtain a full schedule of what is being planned for you during the 1964 Interscholastic, inquire at the registration table.

MISSOULA AND MSU

Missoula is commonly known as the "Garden City" of Montana, mainly because of its easy availability to excellent Western Montana scenery, fishing, hunting and just plain relaxation.

Missoula is the cross roads between the Mission and Bitterroot valleys and mountains. These two mountain chains have been described by world travelers as the most beautiful in the United States.

RECREATION

Fishing is tops, some managing to catch their limits in a short time. Many prize big game animals are sought. Skiing has been recently emphasized with the nearby Snow Bowl north of Missoula offering wintertime fun on the slopes.

Flathead lake isn't far, as well as a myriad of mountain lakes for fishing and boating. Glacier Park is easily visited on a weekend.

We at Montana State University and Missoula are proud to be located in the middle of this exciting panorama. We hope you come back often to visit, if we may be permitted to brag, the finest school of higher learning in Montana in the finest community in Montana.

Speaking of Records . . .

One of the largest selections in the Northwest. And the Famous Magnavox, all transistor portable stereos. The perfect graduation gift.
